US Rowing Waiver (separate from the OAR waiver) and Safety Video

For insurance purposes, ALL members MUST have a current US Rowing Basic Membership (\$5.75 fee) even if they do not plan on participating in races. **Check your status now**--it should take less than 5 minutes. The code for our club is 'LMACX'. You will only need this code if you have not been a USRowing member before. Go here to check status / complete membership payment: <https://membership.usrowing.org/>.

In addition, all rowers must watch the US Rowing safety video at <http://www.usrowing.org/Safety/SafetyVideo.aspx>

*Learn to Row participants do not need to complete this in advance of class—we will watch the video together as part of our first class
