Go here to join or renew your membership <https://membership.usrowing.org/> . The OAR organizational access code is "LMACX". In addition, all rowers must watch the US Rowing safety video at <http://www.usrowing.org/Safety/SafetyVideo.aspx>.

Service Commitment

Each member is expected to contribute a minimum of one hour of service per month, or 12 hours per year. It is your responsibility to make every effort to do so. There are 3 ways to find out how you can help:

- Check the club member's website for a list of current volunteer roles that need to be filled ("Volunteer Sign-up"). You will learn how to log-in as a member once you join. If you would like more information about the many club tasks, have specialized skills that may be of use, or have any questions about the service commitment, please let us know.
- If you do not have time to volunteer, there is an option to pay the Guilt-Free Volunteer Buyout: \$240

Thanks, your service is essential.
